## **"Bat and Bar Mitzvahs done well consistently!"**

Numberous members of large Havarahs throughout The Greater Bay Area comment regarding Jeff Werner as a part of their life celebrations!

Together we carefully create an agenda focused on dance music and Israeli dancing, fun creative interaction, contests, and all age groups engaged dancing from the beginning to end of your event!

Young guests are engaged and encouraged with their music and activity at just the right time too!

Appropriate music is played in smooth sets carefully created without dropouts or fades keeping your dance floor full! This too is a great asset!

You and your family and friends enjoying each other at your Bat or Bar Mitzvah is a memory you all will cherish forever!

Night time dance floor lighting included and optional interactive Game Show available!

Havdalah, Candlelighting, and Interactive dances all available, discussed, and used if selected.

Most Bat/Bar Mitzvahs need contests as ice breakers. Jeff is known as The Greater Bay Area Bat/Bar Mitzvah Interactive King when this is needed!
