**A BIG THANK YOU** from all of us! You really helped us put on a great event!

You did a GREAT job!! You most definitely have remarkable skill and talent in what you do. There's much more to it than meets the eye and you were GREAT! Thanks Again,

**Thank you** so much for helping to make our Engineering Off-Site a success. I heard lots of positive feedback and you were largely responsible for the favorable response. Engineers are not always easy to please, but I think they were pleasantly surprised that the day was not designed for the jocks of the group!

**Jeff Werner's GameShow....**"An interactive, high energy, adventure that allows peers, or strangers, to interact, learn, communicate, become a team, or just plain have fun. Make it carry a message or just have a good time. **This interactive game show is a wave you just have to catch.**" **Read Zaro, President, TEC San Jose** February 2001

Jeff hosts a Gameshow better than Pat Sajack or Regis!

**I thank you!** You made my job so much easier and played a huge part in the success of the event. **I can't tell you how many people have commented on what a great job you did.** Several people have also asked for your name and number. I had a blast and it sounds like everyone else did as well. **The only complaint I've had was people not wanting it to end.**

**Hi Jeff,**

**Thank you** for making Saturday night a tremendous success. We are getting rave reviews from everyone about everything! It was great working with you. **You made the planning effortless** and you really had a handle on what takes place during a Bat Mitzvah celebration and how to please all ages. I look forward to the opportunity of working with you again. If you wouldn't mind, could you send me a few of your business cards - not everyone is internet savvy yet! **I have had numerous requests for your name and phone number.**

Take care!

Best regards,

**Melissa Leviant**
